Customer information on the subject of RoHS
EU Directive 2011/65/EU ("RoHS Directive")

Dear Sir or Madam,

With this customer information, we would like to answer questions that we are frequently asked on the subject of RoHS.

The conformity of the products supplied by SEW-EURODRIVE with the requirements of EU Directive 2011/65/EU (including Delegated Directive (EU) 2015/863) is documented in the respective product-specific EU declaration of conformity. This is available on our homepage or can be requested from us via the contact below.

As some components of our products may contain lead for technical reasons, we apply, among others, derogations 6a, 6b, 6c, 7a and/or 7c-I of Annex III of the RoHS Directive. SEW-EURODRIVE is actively working on the transition of the products affected by the expiring exceptions and will continue to supply you with RoHS-compliant products in the future.

If you have any additional questions about RoHS at SEW-EURODRIVE, please contact us by e-mail: sew@sew-eurodrive.de.

Kind regards,

SEW-EURODRIVE GmbH & Co KG
